### Superintendent's Highlights

Highlights of the year included increased involvement at the Board level in technology planning for the District. Regular reports were presented throughout the year as the Technology Committee prepared to draft the new five-year technology plan. The District is now fully networked, and an Albertson's grant will enable us to automate all school libraries as well as network them with the Salmon Public Library.

The Language Arts Curriculum Committee began revision the K-12 curriculum guide. The secondary portion was finalized this year, while K-5 will complete their revisions and adoptions next year.

Trustees reviewed positive gains throughout the District on the ITBS, TAP, DWA, and DMA. Trustees remained on schedule in their commitment to on-going policy review.

Facilities needs continue to create demands on limited resources. A necessary heating conversion at Salmon Junior High School and maintaining safe facilities are a priority.

### Progress Towards Meeting District Goals

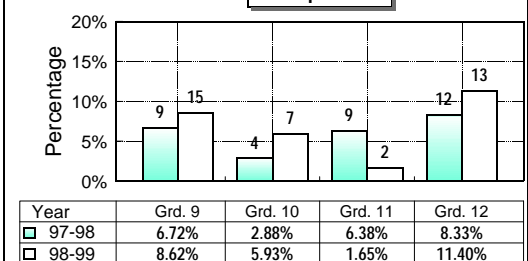

1998-99 Goals	Progress
Review five year facilities plan; evaluate options for repair of Salmon High parking lot while weighing other pressing facilities needs.	Efforts to repair the parking lot through voluntary efforts continue to be evaluated. The conversion of the Junior High School heating system remains a first priority for facilities needs.
Continue to stay on schedule with comprehensive policy review on three year cycle.	Trustees remained on schedule for policy review during 1998-99.
Evaluate technology plan and identify future needs for District.	Trustees requested regular technology reports throughout the year and gave input for the Five Year Technology Plan for the District.
